As the result of the success of our expanded Cass Gilbert database, we are continuing to seek funding to add more Cass Gilbert buildings and sites to the 80 that are already listed. If you know of a Cass Gilbert building that you think should be listed, consider making an extra donation to help support its inclusion.

Tell us which building(s) you would like to see added to the Cass Gilbert database at <http://cassgilbertsociety.org/works/>

Enclosed is my extra contribution to help expand the Cass Gilbert database.
